

"I'm Sam, Founder of Dream Big Live BiGR. I'm a human navigating a world not designed for me. It's tough but so am I. I'm a sports fanatic. I coach football. I am a college student. I am a total foodie. I am an advocate. I am all about equity. I hold people to account. I speak up. I have dreams of living a big and full life, dreams of travelling, dreams of achieving my ambitions. Big, big dreams... But life is for living, not dreaming...
...Dream big, live bigger!"
